SC 157-64 any of the persons shown in these photographs. In regard to instructions of the Bureau as set forth in referenced Bureau letter to Alexandria, the following investigation was conducted: On 4/3/70, Chief of Police ALBERT C. GRIFFITH, Coalinga, California, Police Department, advised SA GUY R. BECK that he knows of no NSRP activities in the area and to his knowledge no MSRP chapters have ever been in operation in the vicinity. b6 On 4/6/70, Mrs. an established source, Paradise, b7C California, advised that a meeting of the NSRP was held in Paradise, California, over one year ago, but that no continued interest in the organization was ever generated. The meeting, which was sparsely attended, was addressed by an NSRP representative from the Los Angeles, California area. A subsequent meeting was scheduled, but was later on canceled when a speaker did not appear. Prior activities of the NSRP at Paradise, California, has been previously reported to the Bureau and Savannah and communications appropriately disseminated. Though the activities of the NSRP in Paradise, California, have been very limited and unproductive the Bureau and Savannah have been fully informed of all developments. Mrs. stated that there is no NSRP unit in the area, never has been, and that no one has expressed any interest in b6 b7C establishing a chapter in the area for over a year. - 2 -

SC 157-64

b6 b7C

Mrs. states that she is constantly alert to any possible activities of the NSRP in the area and will immediately contact the FBI if any pertinent information is developed. She reiterated a statement previously made that she regards this organization as "hypocritical and ludicrous" and believes that it is her "Christian duty" to insure that the NSRP does not organize in Paradise and vicinity.

Baltimore will display enclosed 75 photographs and thereafter route to Birmingham.

Edward Fields, National Director of the NSRP spoke to a group of about 100 students in the cafeteria of Bogan College, 3939 West 79th Street, Chicago, on April 10, 1969, and was in attendance and introduced Fields as his good friend.

Fields spoke and called for the repatriation of the Negroes to Africa. He stated he agrees with the black militants that whites and blacks cannot live together. He predicted that a race war will result if separation of the races is not maintained.

On July 9, 1969, Region I, 113th Military Intelligence Group, Evanston, Illinois, advised that on or about June 25, 1969, unknown persons had distributed the following leaflet entitled, "Open Season on Whitey", in the vicinity of 55th and Racine, Chicago, Illinois:

b6 b7C

"OPEN SEASON ON WHITEY"

This has become the rallying cry of Black Power leaders from coast to coast. Militant Negro groups are parroting this phrase while stockpiling rifles and ammunition. The streets are rapidly becoming unsafe to travel after dark. Everywhere the White Man looks there is a young Negro eyeing either him or his wife. The White Man does nothing. The sad truth is that the braver the Negro becomes the more cowardly the Whites act.

RACE WAR COMING! You can smell it in the air in the streets of our major cities. The tenseness, the lull before the storm. That friendly little Negro paperboy may be Firebombing your home before the summer is over. Those poor Negro drop-outs you feel so sorry for may be dropping you out before long. And how about the janitor at work, and your mailman, and...

YOUR SKIN IS THE COLOR OF YOUR UNIFORM! Wake Up, White Man! Face the truth! Your Jew controlled politicians have sold you out to the highest bidder. If you don't wake up now you're in for a long sleep!

WHAT YOU GONNA DO DADDY! When militant Blacks break down your door and butcher your family? And how about your wife? Remember, Negroes rape before they kill! How are you going to defend your family and home when you don't even own a Firearm, and wouldn't know how to use one if you did? Well then, you had better get a weapon. And you had better learn how to use it. The Blacks aren't kidding. When they strike you are not going to stop them with apathy. It's going to take power. White Power!

COUNTERMEASURE! The only effective countermeasure against Black Power is White Awareness. It is in this direction that the National States' Rights Party moves. We teach Reason through Awareness of Race.

ARM NOW! Teach each member of your family weapon care. Learn what steps you must take to make your home a fort. Fight any and ALL attempts of Gun Registration (this is only a plot directed by traitorous elements in our Government intended to disarm Whites and leave them to the mercy of Black terrorists). Be Prepared! This may be the longest summer of your life. Or the shortest...

MINUTEMEN

The Minutemen, whose headquarters are in Norborne, Missouri, was organized in June, 1960, by ROBERT BOLIVAR DE PUGH, who has been publicly identified as the National Coordinator of the organization since its inception. On September 8, 1969, he announced the appointment of his 23-year-old son, RALPH C. DE PUGH, to serve in this position while he completes a one year sentence in the U.S. Penitentiary for violation of the Federal Firearms Act.

Past statements by ROBERT DE PUGH and literature distributed by the organization indicate the purpose of the Minutemen to be the resistance to and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

A source, who in July, 1969, had access to some Minutemen records, estimated that approximately 2500 individuals have in the past expressed an interest in the Minutemen and have been considered as members by DE PUGH; however, source believes there are probably no more than 300 actual active members of the organization. A second source in October, 1969, advised that the Minutemen tend to grossly exaggerate the number of their members. The source estimated the actual membership to be no more than possibly 350 members.

In April, 1966, DE PUGH, in his book Bluepring For Victory, wrote the Minutemen organization was then dividing into two bodies; the Minutemen and the Patriotic Party. One group, the Minutemen, would be the resistance movement and the other, the Patriotic Party, whose proper function would be to serve as the political arm of a complete patriotic resistance movement.

Members of the Minutemen organization, including ROBERT DE PUGH and his chief assistant, WALTER P. PEYSON, have been arrested in the past on charges of violations of the Federal Firearms Act, Bank Robbery-Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics, wherein machine guns, mortars, grenades, and other firearms were employed.

Springfield letter to Director 3/11/70.

On 3/25/70informant. advised SAs that he is sure that the two organizations, National States Rights Party and Minutemen located in Northern Illinois, would consolidate if he, informant, made the suggestion. stated that he feels that and referred to in relet, are only waiting for his suggestion to consolidate.

He advised that he would make no suggestion regarding possibly consolidation at this time.

He further stated that he has heard that the Northeast section of Kankakee, Illinois, which is predominantly Negroes, has been obtaining "bomb balls".

He described these "bomb balls" as a little smaller than a tennis ball, made of cast iron, timed and when dropped, will explode within 20 seconds. He described them as very deadly.

He also advised that the "bomb balls" are reportedly made and stolen from the Joliet Arsenal, Joliet, Illinois. He advised that he has not joined the Ku Klux Klan as indicated earlier in view of his accident, whereby his left elbow was broken while employed on construction of a new building.

He advised that he intended to subscribe for literature from the National States Rights Party, Chicago, Illinois, and any other material he can obtain.

A meeting of the Chicago Branch of the NSRP was held on January 11, 1970 at residence in Berwyn and was in attendance at this meeting. There were a total of 11 persons in attendance at this meeting.	٠
stated that they should attempt to recruit be broken mew members for the NSRP in high schools and colleges.	
The Chicago Branch of the NSRP does not appear to have any members who are willing to provide the funds or work to increase the low level of activities by the Chicago Branch of the NSRP. This was the first meeting of the Chicago Branch of the NSRP since August 24, 1969.	*

On July 9, 1969, Region I, 113th Military Intelligence Group, Evanston, Illinois, advised that on or about June 25, 1969, unknown persons had distributed the following leaflet entitled "Open Season On Whitey" in the vicinity of 55th and Racine, Chicago, Illinois:	

OPEN SEASON ON WHITEY

This has become the rallying cry of Black Power leaders from coast to coast. Militant Negro groups are parroting this phrase while stockpiling rifles and ammunition. The streets are rapidly becoming unsafe to travel after dark. Everywhere the White Man looks there is a young Negro eyeing either him or his wife. The White Man does nothing. The sad truth is that the braver the Negro becomes the more cowardly the Whites act.

RACE WAR COMING! You can smell it in the air in the streets of our major cities. The tenseness, the lull before the storm. That friendly little Negro paperboy may be Firebombing your home before the summer is over. Those poor Negro drop-outs you feel so sorry for may be dropping you out before long. And how about the janitor at work, and your mailman, and...

YOUR SKIN IS THE COLOR OF YOUR UNIFORM! Wake Up, White Man! Face the truth! Your Jew controlled politicians have sold you out to the highest bidder. If you don't wake up now you're in for a long sleep!

WHAT YOU GONNA DO DADDY! When militant Blacks break down your door and butcher your family? And how about your wife? Remember, Negroes rape before they kill! How are you going to defend your family and home when you don't even own a Firearm, and wouldn't know how to use one if you did? Well then, you had better get a weapon. And you had better learn how to use it. The Blacks aren't kidding. When they strike you are not going to stop them with apathy. It's going to take power. White Power!

COUNTERMEASURE! The only effective countermeasure against Black Power is White Awareness. It is in this direction that the National States' Rights Party moves. We teach Reason through Awareness of Race.

ARM NOW! Teach each member of your family weapon care. Learn what steps you must take to make your home a fort. Fight any and ALL attempts of Gun Registration (this is only a plot directed by traitorous elements in our Government intended to disarm Whites and leave them to the mercy of Black terrorists). Be Prepared! This may be the longest summer of your life. Or the shortest...

FIELDS spoke and called for the repatriation of the Negroes to Africa. He stated he agrees with the black militants that whites and blacks cannot live together. He predicted that a race war will result if separation of the races is not maintained. The informant had no further specific information concerning the agenda of this convention or others to be in attendance at this time. The informant has heard there will be a Memorial Motorcade during the Convention to Berea, Kentucky. Local Newport, Kentucky Police Department Officials advise that the NSRP local chapter contemplate having the Convention in an open field on the outskirts of Newport, Kentucky. They are attempting to thwart these plans as they (Police Department) are opposed to the National Convention being held in Newport.

Listed offices are requested to contact logical sources to obtain additional information concerning the contemplated convention of the NSRP to be held in Newport, Kentucky, on June 20-21, 1970. It being noted that these offices had delegates at the Jacksonville National Convention of June 7-8, 1969.

Louisville Division, at Covington, Kentucky, will follow the plans of the NSRP regarding instant convention.

Re Springfield letter to Chicago dated 4/15/70 The following innestration was conducted by SA On May 20, 1970, Security Specialist, Ammunition Procurement Supply Agency, (APSA), Joliet, Illinois, advised the Joliet Army Ammunition Plant (JAAP), Joliet, Illinois, is presently assembling and arming for the United States Air Force, the "Blue 26" munition, which can be described as a "bomblet" or made available for observation a "Bhue grenade. 26" and it has a diameter of approximately $2\frac{1}{2}$ inches and is a hollow-cored sphere. This munition is assembled from two identical halves, which are crimped together to form the sphere. A hole is bored in the sphere and a "spin" fuze is inserted and the munition is charged with a high explosive.

These munitions are placed in rockets and missiles and are shot into the air and released. Upon release, the munition spins, as a result of carefully designed fins, until it reaches enough revolution per minute to set off the "spin" fuze. advised that when the munition explodes it fragments the sphere into small pieces and the munition fragments will kill up to about 1,000 feet.

stated this munition as assembled at JAAP could not be set off by throwing it as to cause this would require a "concussion" fuze. It would be possible to remove the "spin" fuze and replace it with a "concussion" fuze, but this would require a munition expert, as well as a source of supply of "concussion" fuzes.

advised no known quantities of "Blue 26s" are missing from the JAAP, but a person working on the "line"

could manage to slip one out. He stated it is possible that a few have been lost in this manner, but unless the fuzes were replaced as described, the munition would be potentially dangerous, but the chances of its being exploded would be remote.

	Atlanta has previously reported to Savannah and the Bureau that Dr. EDWARD R. FIELDS had stated that the NSRP Convention would be held 6/20-21/70, on the edge of Newport, Kentucky, in a lodge which will be entirely reserved for the NSRP. FIELDS said that the lodge is owned by an Italian who "has Mafia connections" and who "hates Jews." FIELDS stated that news concerning the convention would be released as late as possible because of the pressure that Jews bring to bear on the owner of the convention sitelin cases like this. On 5/28/70, the same source of the above information stated that from recent statements made

Atlanta's source stated that FIELDS and most of the other NSRP leaders will stay at the Travelodge, two blocks from the Grandview Gardens. FIELDS will be the master of ceremonies at the convention. FIELDS has made the decision that there will be a motorcade to Berea, Ky., to do honor to the grave of ELZA RUCKER at the end of the convention.

Atlanta's source stated that J. B. STONER is not listed as National Chairman of the NSRP in the announcement of the convention in the June issue of "The Thunderbolt" because the Democratic Party in Georgia might have used such a title to prove that STONER was not a Democrat and, therefore, ineligible to run on the Democratic ticket. FIELDS stated that STONER may even have to resign tamporarily as National Chairman of the NSRP until after the election.

Atlanta will furnish any additional information concerning the convention to the Bureau, Louisville, and Savannah.

Re Springfield letter to Chicago, 4/15/70.

by SA The following investigation was conducted

On May 20, 1970, Security
Specialist, Ammunition Procurement Supply Agency
(APSA), Joliet, Illinois, advised the Joliet Army
Ammunition Plant (JAAP), Joliet, Illinois, is presently
assembling and arming for the United States Air Force,
the "Blue 26" munition, which can be described as a
"bomblet" or grenade. made available for
observation a "Blue 26" and it has a diameter of
approximately 2½ inches and is a hollow-cored sphere.
This munition is assembled from two identical halves, which
are crimped together to form the sphere. A hole is
bored in the sphere and a "spin" fuze is inserted and
the munition is charged with a high explosive.

These munitions are placed in rockets and missiles and are shot into the air and released. Upon release, the munition spins, as a result of carefully designed fins, until it reaches enough revolution per minute to set off the "spin" fuze. advised that when the munition explodes it fragments the sphere into small pieces and the munition fragments will kill up to about 1,000 feet.

JAAP could not be set off by throwing it as to cause this would require a "concussion" fuze. It would be possible to remove the "spin" fuze and replace it with a "concussion" fuze, but this would require a munition expert, as well as a source of supply of "concussion" fuzes.	b6 b70
advised no known quantities of "Blue 26s" are missing from the JAAP, but a person working on the "line" could manage to slip one out. He stated it is possible that a few have been lost in this manner, but unless the fuzes were replaced as described, the munition would be potentially dangerous, but the chances of its being exploded would be remote.	
who has furnished reliable information in the past, advised on June 1, 1970, that, who resides at 2508 South Euclid Street, Berwyn, Illinois, is currently the Illinois organizer of the NSRP and that has been associated with the NSRP at Chicago in the past.	b6 b70 b71

On June 22 and 23, 1970, a source, who has furnished reliable information in the past, advised that the NSRP convention began at approximately 12:00 noon on June 20, 1970, at the Grand View Gardens Restaurant. Approximately 150 to 200 people were in attendance, all of them Caucasian. attendees consisted of a majority of white males, age 20 to 50, approximately 30 young people and about 35 females. There was no official registration as such according to this source, and there was apparently no attempt to check NSRP membership cards when the convention attendees entered or left the building. Dr. Edward R. Fields, the NSRP National Director, served as the master of ceremonies for the entire convention. Saturday afternoon session consisted in the main of speeches by various individuals, and this session lasted from noon until the afternoon recess at 4:00 p.m. The speakers Saturday afternoon included:

Newman Ray Britton, Ar	kansas NSRP Organizer
Arkansas N	SRP Organizer
J	acksonville, Florida NSRP Leader
, 1	Dayton, Ohio NSRP Organizer
Chicago,	Illinois NSRP leader.

Most of the speakers stressed the overall political theme of the convention which was to secure political strength for the white people of the United States. Strong emphasis was placed on support, financial and otherwise, of the campaign of J. B. Stoner for the Governor of Georgia. The speakers indicated that upon the election of Stoner to the Governor's Office in Georgia, it was expected that the other southern states would gain new strength in electing politicians of similar views.

Most of the speakers bitterly attacked the Negro race, the Federal Bureau of Investigation, and the "Jewish conspiracy". The speakers told the audience that the "Jewish conspiracy" was responsible for all of the troubles of the white people in the United States. According to the source, the speaker stated that the Jews control the Federal Bureau of Investigation and the Federal Bureau of Investigation was being used by the Jews to force integration in the South.

Speakers also stated that the Negro race is but a pawn of the "Jewish conspiracy" and action, including violence, may be necessary in order to oust the Jews and the Negroes from their positions of authority.

During this session numerous pamphlets, papers and leaflets were passed out, including the following:

A campaign flyer of J. B. Stoner setting forth his program and campaign pledges.

A Statement of the National States Rights Party Before the Joint Legislature of the State of New Jersey Regarding "sex-education" in the public school system dated September 15, 1969.

A pamphlet entitled "Fifty Phoney Arguments Used By Kosher Konservatives To Confuse Gentiles And Protect The Jews" by Ben Klassen and Austin Davis.

The May, 1970 issue of "The Prairie Fire", a newsletter of the NSRP of Illinois.

Copies of the Stoner campaign flyer and the NSRP statement are attached in the appendix.

At the conclusion of the afternoon session, a collection was taken up by four teenagers for the J. B. Stoner campaign fund, and it was announced that \$600 had been collected.

The source advised that the convention recessed from 4:00 p.m. on Saturday until it resumed that evening at 6:30 p.m. The evening session lasted from approximately 6:30 p.m. until 10:00 p.m. on June 20, 1970.

This source further advised that the Saturday evening session consisted principally of speeches by the following four speakers:

An unidentified representative of the National Socialist White People's Party. This individual is described as a white male, about 35 years of age, tall, wearing a mustache and conservative suit.

A characterication of the National Socialist White People's Party is attached in the appendix.

During the evening session of Chicago, Illinois, was honored as the "NSRP man of the year" for his success with the Party in the Illinois area.

Most of the speakers that evening reiterated their criticism of the Jews, the Negroes and the Federal Bureau of Investigation.

In his speech, J. B. Stoner stated that when he became Governor of Georgia every subversive group, including the Federal Bureau of Investigation, would no longer be able to operate in Georgia. He stated that all Negores will be immediately deported to Africa and they will be supplied with enough money so that the American Jews will follow them to Africa. Stoner stressed that much support was needed in his campaign for governor, and he encouraged financial support and volunteer labor in this regard.

At the conclusion of the evening session, took up a collection for the Stoner campaign fund in a small jug. Although it was not announced how much was collected, the source believed that approximately \$500 to \$600 was taken up in this collection.

The source also advised that a secret "top level" conference was held Saturday evening in Room 89 of the Gateway Motel in Newport, Kentucky. This was a small closed session of NSRP leaders which began about midnight. Among those present for this closed meeting were of Chicago and of Covington, Kentucky. The source was unable to provide any additional information concerning this closed session.

The source advised that the Sunday session of the convention began at approximately 11:00 a.m. on June 21, 1970. Speakers for this session included:

Congress (not further described), Baltimore, Maryland	b b'
Arkansas NSRP Organizer	
Neuman Ray Britton, Arkansas NSRP Organizer.	
These speakers continued their criticism of the Jews, the Negroes and the Federal Bureau of Investigation. It was announced that in September, 1970, following the victory and election of J. B. Stoner, a regional tri-state NSRP meeting would be held on September 10, 1970. This meeting is to include representatives of the NSRP from Ohio, Kentucky and Indiana, and the site will be announced later. Another collection was taken up at the conclusion of this session for the purpose of raising money to pay for the rental of the hall in which the convention had taken place. It was announced that the rental was \$200, and the source advised that this amount was probably collected. At the conclusion of the convention, all NSRP members were encouraged to join a motorcade which would take place that afternoon and travel to Berea, Kentucky, to place a wreath on the grave of a white man who had been slain by Negroes a few years prior. According to the source, among the individual who were observed participating in the NSRP, other than the previously mentioned speakers, were the following:

The source further advised that the overall theme of the convention was to secure support, financial and otherwise for NSRP candidates for political office, primarily J. B. Stoner. The convention did not nominate or elect any officers or staff members to the NSRP. No attempts were made during the convention to present or vote on any matters of NSRP statement of policy or political views. The primary theme was unity of the NSRP, but no obvious attempts were made to encourage the formation of additional NSRP chapters in the United States. The source further advised that no particular pressure was put on any of the convention attendees to subscribe to "The Thunderbolt", the official voice of the NSRP.

Statement

of the

NATIONAL STATES RIGHTS PARTY
Before the Joint Legislature

of the

State of New Jersey
Regarding *sex=education* in
the public school system.

SEPTEMBER 15, 1969

Aimighty God, deliver us from our ensules, and let the words of our mouth and the meditation of our hearts be acceptable unto thee and thy Son, Our Lord Jesus Christ.

Amen.

Workers and Farmers; Governor; distinguished men of the Senate; distinguished men of the Assembly; members of the Board of Education; fellow Citizens of New Jersey; and members and friends of the National States Rights Party — we thank you for this opportunity to express our position.

Gentlemen, we of the National States Rights Party absolutely oppose the so-called 'sex-education' courses suggested for the public school system of New Jersey. We view this whole thrust of 'sex' upon Our Nation as a satanic attack upon the morals of the White Christian Youth of America. Every pagan society throughout history has idolized sex, from the Ancient Babylonian worship of sex procreation to the Talmudic phallicism of the modern day Chazars.

America was founded by Christian men, two-thirds of whom were of the Calvinist persuasion. Our Forefathers held a personal conviction of God's favoring and protecting sovereignty. A man who has this Faith feels he is compassed about with everlasting love, guided with everlasting strength; his will is the tempered steel that no fire can melt, no force can break. Such Faith is Freedom; and this Spiritual Freedom is the source and strength of all other Freedom. America was founded by the exercise of duty, by the practice of justice, by obstinate toil, by vindication of right, by resistance to oppression, by the conquest of liberty, and by the repression of evil.

At the present time we are engaged in a warfare between two diametrically opposed forces. Spiritually, pagan Talmudism is waging war on Biblical Christianity. Politically, cabalistic Talmudism is attempting to replace Christian Constitutional Law. Socially, phallic Talmudism wishes to destroy Christian morality. Our Nation's Law and Order can only exist within the context of a single commonly accepted moral code. 'Every Kingdom divided against itself is brought to desolation, and every city or house divided against itself shall not stand' (Mt.12:25). America's moral code has been and must continue to be Christian! Only Righteousness exalteth a nation, for sin is a reproach to any people. (Prov.14:34).

The Babylonian Talmud incorporates all the paganism of the Ancient world. This paganism was incorporated into it during the Babylonian Captivity of the Ancient Hebrew people and later adopted by the Mongolian Chazars who now masquerade as self-styled 'jews'. The theosophists, astrologists, numerologists, soothsayers, Arcane Illuminists, homophiles, and all the other occult vermin of one kind or another trace their wickedness to Ancient Babylon by way of the Babylonian Talmud. Throughout the pages of the Talmud the self-styled 'jews' are considered to be the only gods; all other persons are considered goyim, which means animals; Our Lord Jesus Christ is called a bastard; Our Blessed Virgin Mary is called a prostitute; our young children are likened to beasts. A young Christian girl may be sexually violated after she is three years and one day old.

On page 371 of the Soncino Edition, Sanhedrin, vol. 1, sec. 54b- 55a, we give just one example; Sodomy with children under thirteen years of age is permitted, for in the footnotes we find that:

(2) I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum. (3) At nine years a male attains sexual matureness. (4) Lev. XVIII,22. Thus the point of comparison is the sexual matureness of woman, which is reached at the age of three.

The Babylonian Talmud is full of such pagan abominations! Is it merely coincidence then, that Dr. Mary Calderone (executive director of Sex Information and Education Council of the United States) is quoted, according to the SATURDAY EVENING POST, as saying, "sex education should start in the nursery. Around the age of three the child should assimilate such knowledge...?" Or is it still stranger that Dr. Lester Kirkendall (another S.I.E.C.U.S. Board of Directors member) should say, according to the ANAHEIM BULLETIN of December 19, 1968, that SEXOLOGY (a notoriously pornow graphic magazine edited by S.I.E.C.U.S. treasurer Isadore Rubin and dealing in the worst sort of sexual perversion) would soon be revised with a different cover and titles so that it can be used in the schools from the kindergarten up?

Pagan Talmudism began to replace Christian Constitutional Law with the appointment of Zionist Louis D. Brandeis to the Supreme Court. But not until the appointment of Earl Warren did the result have its effect. THE NEW YORK TIMES, Saturday, September 14, 1957, told of former Chief Justice Warren studying Talmudic law at the Jewish Theological Seminary in New York. Is it a coincidence then that the Warren Court violated the will of the American people and removed Christian prayer and Bible reading from our schools? And could his Talmudic knowledge, combined with that of Abe Fortas and company, be the reason why so many Local, State and Federal convictions regarding hard core pornography were reversed in 1967 and the smut peddlers turned free?

On the newsstands, at the theatricals, in the movies, from the radio, and across the television screen we see nothing but sexual promisculty perpetrated upon us. Edward Miskin grossed over \$1,500,000 a year from smut according to the Kefauver Committee. Abraham Rubin was called 'the kingpin of the pornographic industry in this country' by New York District Attorney Frank S. Hogan. Ralph Ginzberg flooded American homes with filth like FACT, EROS, LIAISON, and something called HOUSEWIFE'S HANDBOOK ON SELECTIVE PROMISCUITY.

Great American Literary heroes like Emerson, Longfellow, Hawthorne, Cooper, Mark Twain, etc., are now being replaced in our public schools by such ersatz writers as Murray Schisgal, Norman Mailer, Roth, Saul Bellow, ad nauseam; and these latter all write inevitably and obsessively about sex in the context of Yiddish family life. In lieu of real talent, these neurotics expose their genital parts and bubonic states of mind in print for the so-called 'edification of humanity'. And where does all this 'sexuality' and 'phallicism' have its roots? — IN THE BABYLONIAN TAIMUD!

Judaizers inside the Christian Church for years have been trying to swindle the Christian people from their Faith in the Living Triune God. The International Bankers in 1913 swindled the American worker and farmer out of his personal income

Company

by establishing White Slavery under the Federal Reserve Act. The Federal Reserve Swindle has all but stripped America of her National Pride. In education, at first we let Charles Darwin teach our youth that man evolved from the apes; then we allowed Zionist Sigmund Freud to teach them that man had no soul, just animal instincts; and now S.I.E.C.U.S. combines the worst of the former to teach dehumanization to the level of a common dog! We of the National States Rights Party will not permit the American Home to be swindled of her children by any of these so-called *sex-education* programs. Our Cause is Just, and in God We Trust — we shall NEVER SURRENDER!

We charge you magistrates to use your prescribed power as set forth in Romans, Chapter 13, and be "not a terror to good works, but to evil" (verse 3). Let America have ONE moral code and let that code be CHRISTIAN! It is your duty to protect the Sanctity of the American Home so that the Father may assert his Manhood, the Mother her Purity, and the Children their Obedience. The Noble Honor of the Father is Industry, Patriotism, and Love. The Virtue of the American Woman is Purity. In the hand of the American Mother is the Power to mould the lives and characters of the individuals given to her care. As Napolean Bonapart once said, 'The hand that rocks the cradie rules the world!' The Integrity of the Children is their Obedience, for they are \an heritage of the Lord (Psi 27:3); a SYMBOL of the love between the husband and his wife. In short, children are a gift from Almighty God.

But whose shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged around his neck, and that he were drowned in the depth of the sea...we to that man by whom the offence cometh! (Mt.18:6,7).

Almighty God ordained that man is not complete without a woman; and without man, a woman cannot fulfill the great purpose for which God created woman. The woman was not made to be a servant to the man; neither was she made to be advertised, photographed, looked at, or promiscuously played with. She was made to live with one man in a relationship ordained by her Creator in order to complete the man the Lord God had made. She was made to be Virtuous, Holy, and Pure in all things so her children would arise up and call her Blessed. 12

Therefore on behalf of the Christian People of this Sovereign State, we charge you to protect Our Children from this pagan sexuality. We cannot afford longer to play with violence. Crush *sex-education* in the schools! Smash the smut peddler wherever he appears Allow our young to enjoy their youth so that they may become the True SONS of AMERICA. Return to the sanity of the Founders of this Republic. Allow the teaching of sex to remain in the Homes and Churches where it belongs so our young will know the proper HOLY meaning of LOVE between the husband and his wife. To do less means the loss of manhood!

If you Men of State do not heed the will of the People who grant you your power; if you do not protect the Integrity of Our Children, then your Blood will be upon your hands and upon your children for you will ultimately have to answer to us, the MEN of the THUNDERBOLT, The NATIONAL STATES RIGHTS PARTY. SO HELP US GOD.

NATIONAL STATES RIGHTS PARTY (NSRP) RACIAL MATTER - NSRP

Two sources who have furnished reliable information in the past furnished the following information on June 20, 21, 23, and 24, 1970.

The National Convention of the National States Rights Party (NSRP) was held on Saturday, June 20, and Sunday, June 21, 1970, at the Grandview Gardens, Newport, Kentucky.

A characterization of the NSRP is attached hereto.

The convention was opened at 12:30 PM, June 20, 1970, by R.D. Eldridge, Dayton, Ohio, National Organizer of NSRP and leader of the Dayton, Ohio NSRP Chapter, Eldridge led the group in a prayer and Pledge of Allegiance to the Flag.

There were approximately one hundred and fifty individuals in attendance at this time.

Doctor Edward R. Fields, Savannah, Georgia, National Director of NSRP and Editor of the Thunderbolt, spoke of race mixing and how the Jews had taken over the country and its police departments. He spoke of various racial incidents which had been previously published in the Thunderbolt. Throughout the rest of the meeting, Dr. Fields acted as Master of Ceremonies

Chairman and Kentucky Organizer for NSRP, stated he longed for the day when there would be no Jews in America. He traced the history of the Jews and claimed there was no place in the kingdom of Heaven for the Jews. He said the "niggers" originated from apes and the only solution would be to ship them back to Africa.

Jacksonville, Florida, Florida
State Organizer for NSRP, urged those present to go out on
the street corners to the precinct level and recruit more
members for NSRP. The white race has been the only creative
race on the face of the earth. Jews have been able to control
the thoughts of people by buying up and controlling radio stations and the news media. The white Christian Americans
built this country and have the right to run it for their own
purpose.
Chicago Illinois Illinois State
Organizer, NSRP, told now he had been travelling in Indiana
and Iowa recruiting new members. The hope of the party lies
in the young people and they should not be alienated. He said
the Illinois Chapter of NSRP is building a new headquarters
building, which has a rifle range in the back. Expense of construction of this headquarters is being taken care of by
one member who did not want his identity disclosed. He said
the only good "nigger" is a dead "nigger". He did not like b6
the Federal Bureau of Investigation as he was sure they had b70
his home telephone "tapped".

Savannah, Georgia, Assistant
Secretary, National Headquarters, NSRP, said that the white man
is the only ran created in the image of God. The white man is
the creator and the Jew is the destroyer. Jews are behind race mixing. She advised that our present government is out to help
the "niggers" and the more the government does for them ,the more
they want.
Elsmere, Kentucky, Chairman of Covington
Kentucky, Chapter, NSRP, told how the black militants are trying
to ruin the white man's Christmas holiday by having stores use
black Santa Clauses. He claimed black militants are trying to

take everything and they do not deserve anything. He stated that the black militants are afraid of the white man.

State Organizer, NSRP, stated he was from "Jew" Jersey, which is controlled by Jews. The only thing feared by the Jews are the vigilanties and the NSRP. The Jews own shopping centers and are running the small businessmen out of business. According to Heinemann, the Jews own the country, the black man enjoys it, and the white man is paying for it. He stated that for the past several weeks he has been in the State of Georgia, helping campaign for J.B. Stoner, candidate for Governor.

Neuman Ray Britton, Decatur, Arkansas, and member of NSRP Executive Committee, received a standing ovation from those in attendance when he rose to speak. He accused some of those in the audience of being informers or Federal Bureau of Investigation Agents. He voiced his hate for "niggers" and Jews and frequently quoted passages from the Bible, such as "Love thy good - destroy thy evil", and "Bring thy enemies before me - I will slay them". He explained that Negroes were animals and be that the white man was God's children.

J.B. Stoner, Savannah, Georgia, National Chairman, NSRP, gave campaign type speech telling the audience how he would run the State of Georgia, if he is elected Governor. He would not allow any outside interference by the government. If he did get any interference from the government or from the Federal Bureau of Investigation, he would chase the Federal Bureau of Investigation out of Georgia, and would turn the State into a complete democracy where every white man could deal with every "nigger" and Jew any way he pleased. He would urge all Negroes to leave the State and he would look out only for the white man's rights.

Jacksonville, Florida, made a very short talk regarding J.B. Stoner's campaign for Governor in Georgia, and suggested that all those attending should contribute to his campaign. Contribution cans were distributed among those present and approximately five hundred dollars was collected for Stoner's campaign fund.

NATIONAL STATES RIGHTS PARTY Dr. Edward R. Fields then announced that of Chicago, had been selected as Man of the Year for the NSRP. The Convention was then adjourned until 6:30 PM. The majority of those present remained at Grandview Gardens where they had dinner. The Convention reconvened at approximately 6:30 PM. Ned Dupes, Knoxville, Tennessee, Assistant National Chairman, NSRP, spoke of his hatred for "niggers" and Jews. He urged members to work harder and recruit new members for the NSRP. Pompano Beach, Florida, stated that he was a former member of the John Birch Society. He had given over one thousand dollars to that society before he learned its leader, was not telling the members the that truth about Jews being in the Communist movement. He referred to the John Birch Society as the "Jew Birch Society". Jacksonville, Florida, claimed that before NSRP got rid of the "niggers" and Jews, they would have to get rid of the traitors in the white race. He said that when the blood started flowing, lynching of Jews and "niggers" would be a common occurrence. He knew lots of people who would volunteer for these assassination squads. The first day of the National Convention ended at approximately 8:30 PM. Approximately 250 to 300 individuals were in attendance at this time. Several individuals arrived and some left during periods of the convention, and it was estimated that a total of approximately four hundred people had attended parts or all of the first day of the National Convention.

At approximately 10:00 AM on Sunday, June 21, 1970, approximately forty individuals attending the NSRP Convention, at Newport, Kentucky, gathered for religious services at the Garden of Hope (Replica of Christ's Tomb) in Covington, Kentucky.

The second day of the National Convention of NSRP opened at approximately 11:30 AM, Sunday, June 21, 1970, at the Grandview Gardens in Newport, Kentucky. Approximately two hundred individuals were present when the convention started.

Neuman Ray Britton, Decatur, Arkansas, and member of the NSRP Executive Committee, pointed out that this was a very sober time and that there would be lots of bloodshed ahead. He expected things to flare up over night. He claimed that everyone present should be prepared for this bloodshed.

R.D. Eldridge, Dayton, Ohio, National Organizer for NSRP and leader of the Dayton, Ohio, NSRP Chapter, told those in attendance that blood in the white man's veins is running hotter than it was several months ago. If J.B. Stoner could be elected Governor of Georgia, it would be the greatest victory the white man has ever had. He said that only "skunks" believe in integration. He claimed that the "niggers" are in the state of confusion and while they are that way we should set forth to take back our nation.

of Baltimore, Maryland, member of Baltimore NSRP Chapter, said that the greatest need at the present time is new members. He told how of Baltimore had donated money that he had set aside for this trip to the Natinal Convention to the Baltimore Chapter so they could purchase a panel truck for recruiting purposes. He suggested that they eliminate so much talking and start action to purge this country of vermin and pollution.

National Youth Alliance, Washington, D.C., and principal guest speaker, said he hailed from the "nigger" eyed jungle of Washington, D.C. He said he and his wife were recently in Jackson, Mississippi, when schools were integrated. White people there were satisfied that it had taken place without violence. He said that this made him and his wife sick as the whites in Jackson should have started a revolution. He stated

that an army must be formed that is effective enough to serve America and the white race.

An article in the February 28, 1970, issue of the Courier-Journal, a daily Louisville, Kentucky, newspaper, reported that Michael D. Russell, National Field Director of the National Youth Alliance, described as a newly-formed far right group, was in Louisville, Kentucky, on February 27, 1970. According to the article, Russell said the National Youth Alliance is an outgrowth of the Youth for (George) Wallace Movement formed during the 1968 Presidential campaign. Russell said that the National Youth Alliance, in addition to being anti-Marxist, also does not believe in the "equality of races" and because races are "genetically different" they should not be "forced" to mix. In addition, Russell said the National Youth Alliance is attempting to "stomp out" anarchist groups on the campuses.

NATIONAL STATES PIGHTS PARTY Ned Dupes, Knoxville, Tennessee, Assistant Chairman, NSRP, told how the party was growing and he realized that when the time came all whites would join together and take back America from the Jews and "niggers". from Florida (town unknown), gave a short talk expressing his hatred for Jews and "niggers". He stated he was waiting for the day when the NSRP cleanses America of the Jews and "niggers". Jacksonville, Florida, gave several quotes from the Bible to show the superiority of the white man over the Negro and Jew. He stated that he hoped he can go to Heaven as there will only be white men there. When the time comes, he will kill as many Jews and "niggers" as he can. "You'd better believe it" was repeated several times throughout his speech. Dr. Edward R. Fields, Savannah, Georgia, National Director, NSRP, and Editor of the Thunderbolt, thanked those in attendance for coming to this Convention. He stated he could see no reason why the membership should not be doubled or tripled by next year. He announced that a caravan would go to Berea, Kentucky, following this meeting to place a wreath on the grave

A collection was then taken up for the NSRP as well as for the Covington, Kentucky, Chapter of NSRP, which had acted as host to this Convention.

of Elza Rucker, NSRP member who was "assassinated" in Berea.

The Convention closed at approximately 2:30 PM, June 21, 1970, with approximately two hundred individuals present. There were no incidents or acts of violence. There was no election of national officers and no mention was made of the site for the next National Convention.

b6

At 6:00 PM, June 21. 1970. fifteen adults and three children, including Mrs. arrived at Rucker's grave in Berea, Kentucky. A wreath was placed on the grave and after a short graveside service, the group left without incident.

There follows a copy of articles which appeared in the June 22 and 24, 1970, issues of the Louisville Times, a daily evening Louisville, Kentucky, newspaper, reporting concerning instant convention.

AT PARTY MEETING

States' Righters Cheer Call for Mass Killing

By JIM RENNEISEN Louisville Times Staff Writer

NEWPORT, Ky. — "The blood will flow from every Jew in Anglo-Saxondom," the speaker shouted, and his audience of some 200 leaped to their feet applauding enthusiastically.

The speaker was Newman Britton, of Decatur, Ark., and the meeting was the national convention of the National States Rights Party (NSRP) here during the weekend.

The only public speech to which newsmen and television cameras were admitted was delivered by J. B. Stoner, national chairman and the party's candidate for governor of Georgia this year, but the principal speaker at the gathering was Britton.

Stoner's public speech was replete with racist slurs against Negroes and Jews, but did not approach the virulence of the speeches delivered in the private sessions by Britton and officers of the organization.

Britton is not listed as a national officer of the group, but the audience knew him well and awaited his speech with great anticipation. He obviously was the leader of the group in spirit, if not in name.

His Meaning Is Clear

A sandy-haired man in his middle 40's, Britton had a revival preacher's delivery and voice. He used every oratorical device from the confident stage whisper to a full-throated roar when fulminating against "nigger animals" or "Jewbosses," or the FBI, whose agents he called "homosexual's and perverts."

Earler speakers talked of "repatriating" blacks to Africa and sending their "Jewish friends" with them, but Britton

made it clear that he was advocating killing.

It seemed to be what most of his audience wanted to hear.

Speaking of Negro-rights movements and hipple peace movements, Britton blamed the country's condition of tur-

moil on the white man's "error" in misconstruing the commandment, "thou shalt not kill."

"Moses did not mean we should not kill in defense of our homes or our way of life. He referred to relatives. White brother shall not kill white brother," Britton said.

"They (Negroes and hippies) talk about revolution," he shouted, then dropped his voice to add, "Well, they are going to get one."

His face broke into a broad toothy grin and he held it through several minutes of applause.

Britton praised similar organizations in other countries such as Germany, England, and South Africa, and noted that the news media deride them as "neo-Nazi."

War Service Is Regretted

He said he was "ashamed" of his service in World War II, which he described as a war started by Jews to set "white people to fighting and killing their white brothers."

"I am ashamed of destruction of great cities like Berlin and I am particularly ashamed of what happened at Nucrnberg (the trial and execution or imprisonment of Nazi war criminals)," Britton said.

The speakers at the two-day convention

The speakers at the two-day convention included: Dr. Edward Fields, a Georgia chiropractor who is national secretary; Roy Wake, Illinois organizer; Jerry Pope, a Cincinnati Gas & Electric Co. employe, who is Kentucky organizer; Jerry Heinemann, an aide in Stoner's campaign for Governor; Frank McNay, of Elsmere, chairman of the party's Covington chapter; R. D. Eldridge, national organizer;

and Mrs. Jane Arnold Gouliu, assistant national secretary.

Fields, who led off the speaking, is also editor of "The Thunderbolt." the party's tabloid-size newspaper, which is blatantly racist and solicits funds and support for Stoner's campaign for governor.

Paper Attacks Kent Students

The lead story on the front page of the June 1 issue of "The Thunderbolt" deals with the killing of four students at Kent State University last month and is headlined "3 at Kent State Were Jews." The story claims the national news media suppressed the fact that the campus rebellions were being led by Jews.

lions were being led by Jews.
Fields deplored "the nigger rioting, looting and burning across the nation" and added that to find "the real villain, we must look behind the curtain where the damnable Jew is hiding..."

Pope's speech was largely a lecture on Bible history, designed to show that Jews are not "the chosen people" and that Jesus Christ was not a Jew.

Jesus Christ was not a Jew.

Wake spoke of building a headquarters in the Illinois countryside that
included a rifle range. His revelation,
drew hearty applause.

Wake also commented that the party was drawing strong support from members of other right-wing organizations such as the John Birch Society, because their own organizations are not sufficiently action oriented.

Heinemann, who comes from New Jersey (which he referred to as "Jew Jersey"), claimed he had infiltrated the "Friends of the Panthers" organization to get information about their Jewish leadership and activities.

State Police Are Present

The American Party was represented at the convention by John W. Miller, of Louisville, 3rd District American Party chairman, and three of his friends. Miller said he, was only observing the convention.

One of his group, however, Richard Walker, a slender, sallow-faced young man, had a portable tape recorder on which he made tapes of all the speeches, which Miller characterized as "the kind that would make your hair grow two inches."

The convention was under the surveillance of the State Police in plain clothes, and there was evidence that at least one State Police officer was inside during the speaking. (Mount Clipping in Space Below)

We Were Wrong

The Louisville Times reported Monday that "the American Party was repre-sented" at a National States Rights Party

Inat the American Party was represented" at a National States Rights Party convention in Newport, Ky., by John W. Miller of Louisville.

'Miller, who is 3rd District American Party chairman, said today that the American Party was not represented at the convention by anyone. Miller reported that he attended as an observer, not as a representative of his party, and that Bichard Walker, named in the story as being in Miller's group, was there as a free-lance reporter on assignment for a radio station and some publications.

Miller said the only speech that Walker was allowed to record was that of J. B. Soner, national States Rights Party chairman. This was the only speech open to the public. The Times story said Walker taped all the speeches.

Walker taped all the speeches. Fr. The Times regrets the errors. (Indicate page, name of newspaper, city and state.)

Re: NATIONAL STATES RIGHTS PARTY (NSRP)

A characterization of the National States Rights Party (NSRP) is contained in the appendix attached hereto.

A confidential source, who has furnished reliable information in the past, advised on June 22, 1970, that the National Convention of the NSRP was held at the New Grandview Gardens, Newport, Kentucky, on June 20 and 21, 1970. The convention began on Saturday, June 20, 1970, about 12:30 p.m., and continued in session until about 4:00 p.m., when the convention broke for dinner. The meeting was resumed about 6:00 p.m. and continued until about 8:00 p.m.

The Sunday session was held from about 11:30 a.m., June 21, 1970, until about 3:30 p.m.

The source stated that the hall in which the convention was held was large with tables set up in long rows. About 300 persons attended the Saturday session. There did not appear to be much in the program, agenda, or plan. No printed matter was handed out.

The meeting on Saturday consisted of a series of speakers with all basically the same theme, anti-Jewish and anti-Negro comments, statements and remarks. Also, many derogatory comments were directed at the Federal Bureau of Investigation (FBI).

The following individuals were speakers at the Saturday, June 20, 1970, session and the source noted the increased reference to and support of violence as being necessary in the fight by the White Christians against

the "niggers" and "Jews": Dr. Edward Fields, Director of the NSRP, was master of ceremonies. Kentucky State Organizer of the NSRP, spoke generally, running down the "niggers" and "Jews". He talked about the history of the Jews, using biblical references and pointed out that Jesus Christ was not a Jew. and the Jews were not God's chosen people. He stated the "Jews" and "niggers" must be either killed or sent out of the United States. He said they are going to rid the world of more "Jews than Hitler did". Ned Dupes, former National Chairman of the NSRP, from Chattanooga, Tennessee, who is active in the Tennessee State NSRP activities, spoke mainly against "niggers" and the FBI. He encouraged the people present to never hire "niggers". He stated they must get rid of "niggers". pointed out a revolution is coming and he warned that everybody had better have his gun ready. Dupes stated he had guns and if the FBI or any other man comes to take his guns away, one of them is going to die. from Jacksonville, Florida, spoke noting the strength and increased influence of the NSRP in Jacksonville. He spoke in a generally derogatory manner regarding the "niggers" and "Jews". He stated he did not allow "niggers" to be hired at his business and encouraged all of those who were present not to hire them either. whom the source believed One was from Camden, New Jersey, spoke identifying himself as the for J. who is an NSRP speaker throughout the United States, spoke against the "niggers" and "Jews" and the FBI. He also noted that a revolution was going on with the white race opposing the "niggers" and "Jews". He supported violence as the solution and pointed out that the NSRP will be the backbone for the white race. He stated that he was ready to "die on the streets" and that they all needed to be ready to fight on the streets noting there would be thousands of white people with them.	b6 b70
talked about the FBI referring to how they pry and are sneaky. stated there were probably some FBI agents or sources at the convention and that they should listen carefully and hear him well because the NSRP did not care if the FBI knew what it said. Newman Britton, in his address to the convention, noted he had moved to Arkansas from California and had built a home there. He was building an NSRP hall and was dedicating his life to service in the NSRP and fighting for the white race. In his talk, Britton was particularly anti-Jewish, emphasizing how they had taken over the country and controlled business and finances. He noted the only thing to do about them was to kill them. After doing that, there could be a white Christian American. Britton predicted they would have an NSRP man in the White House in the future.

J. B. Stoner, National Chairman of the NSRP, greeted the convention and said he was going to talk about three subjects -- "niggers, Jews and FBI". He said when he is elected Governor of Georgia, he will run all the "niggers" out of Georgia. He referred to them as nasty, dirty and/or filthy "niggers". He also stated he would furnish money to set up private schools so there would be no integration possible. He said that if troops or Federal enforcement were sent into Georgia, he would not assist them and would allow the citizenry to do whatever they wanted to them.

Stoner pointed out how the "Jews" had taken over everything including banks, clothing stores, jewelry stores, and the news media; he stated they would get no help from him.

He referred to the FBI as homosexuals and "Jew pimps", who were all communists. He also used the name, "Federal Bureau of Integration".

Stoner noted he was running against 11 candidates in the primary for the Governor of Georgia. He expressed confidence that he would be elected.

On Sunday, June 21, 1970 the convention was reconvened about 11:30 a.m. and continued until about 3:00 p.m. About 150 persons were present during the Sunday session.

Newman Britton and _____ mentioned above, spoke again on Sunday repeating much of what they had said on Saturday.

R. D. Eldridge, National Organizer of the NSRP, and leader of the Dayton, Ohio, chapter of the NSRP, was the featured speaker and he spoke before the convention telling of his background as a minister in the Methodist Church in Tennessee until the communists got into control of his denomination, at which time he left his ministry. He pointed out that Jews and communists are synonymous and the Jews are actively controlling the United States, directing it toward communism.

He referred to "niggers" as "black apes" noting there were a large number of them in Dayton, Ohio. He was shocked by the number when he first came to Dayton, Ohio, from Tennessee and was doing everything possible so that his daughter did not have to associate with them. He spoke against race mixing and the mongrelizing of the races.

Eldridge stated he was a non-violent type individual but believed it was now necessary to use violence to fight for the white race in order to stop the menace.

He told the convention how he had grown up in the NSRP movement and how the NSRP was getting stronger all the time. He urged the members to recruit for the NSRP.

> June 24, 1970 Louisville, Kentucky

Source, who has furnished reliable information in the past, furnished the following information regarding the National Convention of the National States Rights Party (NSRP) held at Newport, Kentucky, on June 20-21, 1970:

The convention was opened at approximately 1°:25 p.m. June 20, 1970, at the Grandview Gardens, Newport, Kentucky, by National Organizer from Dayton, Ohio. There were approximately 150 individuals in attendance at this time. After leading the group in a prayer as well as the pledge of allegiance to the flag, Mr. Introduced Dr. EDWARD R. FIELDS of Atlanta, Georgia, as National Chairman of the NSRP and editor of the "Thunderbolt".

Dr. FIELDS' speech dealt mostly with race mixing and he told how the Jews in this country controlled the police departments as well as the FBI. He reviewed various incidents which pertained to race mixing and violence which had been previously published in the "Thunderbolt".

Mr. FIELDS, who thereafter acted as Master of Ceremonies, introduced of Jacksonville, Florida, as the Florida State Organizer.

encouraged more and better recruitment on the part of individual members, especially in the States of Kentucky, Indiana and Illinois, to increase membership of NSRP. He said the white Christian Americans built this country and have the right to run it for their own purposes. He cautioned those present against talking with the FBI as the FBI is controlled by Jews.

State Chairman and Organizer, also stressed the need for new members in NSRP. He encouraged the deportment of all Negroes back to Africa and said that the Negroes originated from apes and that the only solution was to ship them back to Africa where they belonged. He then told the group

b6 b7C b7D

31,

how the Jev was first formed and traced the Jews history from its beginning to the present time. He said only the white man is the child of God and that there would not be any Jews, Negroes or white traitors in Heaven.

of Chicago, Illinois, told the people how the tax dollar was being used by the Jews to support themselves as well as the "niggers" and that the Constitution of the United States stated that the only purpose for the tax dollars was for national security. He said that a new Illinois headquarters building was being built which had a rifle range in the back. He urged more and better recruitment and said that the hopes of the party were in young people and that they should not be alienated. He urged those in attendance to not talk to the FBI and stated that he felt that the FBI had his home telephone tapped. He said he had been spending considerable time in Indiana and Iowa recruiting new members for FSRP.

Assistant Secretary of NSRP, Savannah, Georgia, made a short speech in regard to race mixing. She claimed that the government was doing everything in its power to help the "niggers" and that the more the government did for them, the more they wanted.

Source learned that was formerly of Cincinnati, Chio. She is presently 20 years old and has been working at NSRP headquarters, Savannah, Georgia, for the past two years. She has been married to a Mr. for only five weeks.

b6 b7C b7D

Chairman of the Covington, Kentucky, Chapter of NSRP, spoke of black militants and told how they were trying to get black Santa Clauses in all of the stores. He said the black militants want everything, deserve nothing and are actually afraid of the white man.

New Jersey State Organizer, told those present that he was from "Jew Jersey", which is controlled by the Jews. He also referred to New York as "Jew" York. He claimed that the Jews have taken over large shopping centers and are running the small businessmen out of business. According

b6 b7C b7D

to the Jews own this country, the black man is enjoying it and the white man is paying for it. He claimed that the Jews are afraid of NSRP members. He said that for the past several weeks he has been in the State of Georgia campaigning for J. B. STONER for Governor of Georgia.

NEUMAN BRITTON of Decatur, Arkansas, received a standing ovation when he was called upon to speak by Dr. E. R. FIELDS.

BRITTON spoke like a minister and frequently used quotes from the Bible. He accused some of those in attendance of being FBI Agents or informers and predicted that it would not be long before the blood would start to flow. He said that the "niggers" were like animals and that the white men were God's children.

J. B. STONER of Savannah, Georgia, and National Chairman of NSRP, spoke of his campaign for Governor of Georgia. He claimed if he was elected Governor of Georgia he would look out only for the white man's rights. He would not allow any outside interference or interference from the government, and that if the government did try to interfere, or if the government tried to call up the National Guard, he would immediately turn the state into a complete democracy where every white man could deal with "niggers" and Jews any way he pleased. He said he would urge the "niggers" to leave the State of Georgia and would urge the white men to fire all "niggers" working for them.

After STONER spoke, Florida Organizer, got up and in a very short speech urged those in attendance to contribute to STONER's campaign and at this time cans were passed among those present and contributions were taken up for STONER's campaign.

Source stated that he understood that shortly after STONER spoke before the group he returned to Georgia to continue his campaigning.

Source advised that after the contribution was taken for STONER, the convention was adjourned so those present could eat and mingle together. Source stated that he thought there was probably 200 to 300 people at the Grandview Gardens after STONER's speech and at the time the convention was adjourned.

Source stated that there were many individuals present at the convention who he had never seen before.

<u>In addition</u> to the above speakers, source stated

told what a great victory it would be for the white man if J. B. STONER is elected Governor of Georgia. He claimed that the "niggers" are in the state of confusion and while they are that way, the white man should set forth to take back his country. He said that the President is using our money to support integration and that he is looking forward to the day when the Black Panthers are struck with white lightning.

An unidentified man driving a stationwagon with British Columbia license plates stated to a group on his arrival that "Hitler was a good man".

Although most of the speakers at the convention attacked Jews, Negroes, the FBI, Communists and other targets, candidate for governor of Florida and Neuman Britton, from Arkansas, were so extreme that Dr. Edward R. Fields, Executive Director of the NSRP, appeared concerned. Fields stated privately that when and Britton called for the destruction of Jews and Negroes in the United States, they were going counter to the NSRP policy which advocates geographical removal of Jews and Negroes from the United States. Fields believed that the kind of statements made by and Britton appealed to the less intelligent members of the NSRP but itswas hard to control the varied elements of the Party.

b6

Source Two stated that J. B. Stoner, National Chairman of the NSRP, was not introduced by his title but as the next governor of Georgia. Stoner stated that the commandment "Thou Shall Not Kill" meant you should not kill whites but you should kill Jews and Negroes and their FBI protectors. Stoner stated that he was going to become governor of Georgia to clean up not only the state but the entire country from the Jewish influence and organizations, the Federal Reserve System, the FBI and the Department of Justice which Stoner stated was a department without justice.

Source furnished the following information concerning the National States Rights Party (NSRP) National Convention conducted on June 20-21, 1970, at Newport, Kentucky.

National States Rights Party (NSRP) National Convention, Newport, Kentucky, June 20-21, 1970

Source advised that on June 20, 1970, the sessions of the 1970 National Convention of the NSRP were conducted at the Grandview Ballroom, Newport, Kentucky. Said sessions were attended by approximately 300 individuals affiliated with the above-mentioned party and included several speeches by NSRP representatives from various areas of the Nation. Source related that many of the individuals present wore arm bands with a "Thunderbolt" design thereon. further indicated that noticeably missing from the abovementioned sessions were literature and other printed matter concerning the NSRP, which apparently was not available due to an accident which the individual responsible for supplying same had been involved in while en route to said location. Source further advised that the Grandview Ballroom was located on the summit of a hill at Newport. Kentucky, adjacent to a large water storage tank.

Source advised that an unidentified Negro news reported from a local television station in the Newport, Kentucky, area was told to leave the scene of said convention by NSRP officials thereat, inasmuch as he would be denied admittance thereto.

Source advised that the initial speaker of the	
Jun <u>e 20, 1970,</u> session of the NSRP National Convention	
was NSRP organizer from Covington, Kentucky.	
Source advised that discussed "evolution" indicating	b6
that same applies only to "niggers" and not to members of	b7C
the caucasian race. Source further advised that	

indicated that at one time in history a caucasian mongrelized with apes resulting in the formation of "niggers". expressed a belief that all caucasian individuals were Christians, while members of the Negro race were categorically non-Christians. discussed the origin of both the "nigger" and Jew, indicating that Jesus Christ was not a "Jew", but an Israelite. The modern day "Jew" is a mixture of Israelite and Turkish blood. Source further indicated that Pope's discussion pertained mainly to "Jew matters," but did mention the origin of the Negro. indicated that the black man, whom he described as a mongrelized ape, should go back to Africa.	b6 b7C

Neuman Britton

Source advised that Britton, originally a Californian presently residing in Arkansas, delivered a short summation of NSRP activities in the latter state during which he indicated that he had constructed a NSRP Headquarters thereat. Source described Britton as having an extremely exuberant mannerism with which he called for violence and bloodshed against "niggers." Britton advocated the killing of black people and his entire remarks appeared to be directed toward hatred and violence. Britton was awarded a standing ovation by the delegates present. Source advised that immediately following Britton's remarks a 20 minute intermission ensued, during which time refreshments were available for purchase.

Britton related that he knew there were "FBI spies" present in the audience, but that he was unconcerned because he was not acting as such as a person driven by hatred, but rather had chosen his present course of activity by the

forces of "righteousness". Source indicated that Britton "had murder in his eyes" while he spoke and considered him a very dangerous individual.

Doctor Edward Fields

Source advised that Doctor Edward Fields, National Director of the NSRP, and Editor of "Thunderbolt", a practicing chiropractor residing in Savannah, Georgia, offered a few remarks concerning the NSRP in general before introducing Jesse B. Stoner as the keynote speaker of said convention.

Jesse B. Stoner

Stoner delivered a lengthy speech during which he discussed a recent candidacy for governor of the State of Georgia. Stoner indicated that he did not want any Jew or "nigger" votes, inasmuch as he could win the election with white votes alone. Stoner stated that he would "run every nigger" out of Georgia in a legal manner, and that he would turn America back to the white man. Stoner referred to the FBI as the "Federal Bureau of Integration" and implied that said organization was helping the "niggers" more than the NAACP or any other "nigger group." Stoner referred to several plans that he chose to withheld concerning actions he would take if elected governor of Georgia, one of which was the termination of the bussing of school children therein.

Stoner indicated that he had been distributing literature to farmers and other individuals of the working class. Stoner stated that he would stop "niggers" from mongrelizing their children, and that he was a firm believer in police and law enforcement support, but did not concur with the latter agency in the manner in which actual enforcement was being undertaken. Stoner indicated that he was aware of the fact that the President of United States could federalize the Georgia National Guard and State Police during civil disturbances within said State, but declared that if same occurred he would remove both agencies from the territorial jurisdiction of Georgia and declare the State and democracy, allowing the people to defend their own land and maintain law and order in whatever manner deemed appropriate. Stoner indicated that his

election as Governor of Georgia would be the beginning of a wave across the Nation which would be people.

Stoner related that if he chose to do so, he could satisfy and satiate the "niggers" in America by relinquishing all white females to them in order that they might satisfy their lustful desires. Stoner indicated that the above act of surrender would placate the "niggers". Stoner directed the above remarks particularly to young females on stage and women in the audience, at which time a reaction was gained by same. Stoner, however, indicated that he would not allow such to happen, and that he and other members of the NSRP would fight until "every last drop of 'nigger' blood was shed", Stoner further indicated that the only solution to the "nigger" problem in America would be to send them all back to Africa and "let them swing from trees".

Source advised that an NSRP repre-
sentative from Jacksonville, Florida, organized a collection
of funds immediately following the above-described speech by
Stoner, during which monetary funds for Stoner's gubernatorial
campaign were to be soliciteddirected that large
glass jars be passed among the audience and cash contribu-
tions in any amount, as well as pledges, deposited therein.
indicated that NSRP delegates were scheduled to
travel to Berea, Kentucky, on Tune 21, 1970, in order to
place a memorial floral wreath on the grave of Ezell
Rucker, a deceased member of the NSRP, who was killed in a
shootout thereat during a past NSRP convocation in Kentucky.

It was learned that

O'Hare Field by Delta Flight 575 at 6:30 pm CDT on Friday June 26, 1970. They arrived at Charlotte North Carolina at 8:45 pm EDT. They secured a Hertz rental auto (1970 Plymouth four door sedan blue,) and drove to Salisbury North Carolina. They arrived at the Quality Court motel in Salisbury at 10 pm and were assigned room 234. The three were there to attend the UKA Klonv@kation (United Klans of America) The three arrived at the Catawba Community Centre at 9:45 am on Saturday 27 June 1970 for registration. A 50 yard long line had already formed and it took an hour to register. The UKA had about one dozen white helmeted security quards on duty in the parking lot area and in the auditorium itself. The call to order was sounded at 2 pm. To gain entry one needed a paid dues card, a delegate credentials card signed the exalted cyclops of the unit in question and a delegate badge on your suit. In short the care taken to insure UKA members only WAScomplete and time consuming. Male UKA members only

were admitted to the auditorium. During this Saturday afternoon session the number of UKA members present ranged from 500 to 600. 30 to 50. There were many exceptions but at least 2/3 fell into that description. The 27 June afternoon business session ended shortly after 4 pm and after only a little over two hours. The dinner was served in the same building from 5:30 pm to 8:30 pm at \$5.00 per ticket. It was stated that 1600 tickets were sold but it seems doubtful if' over 1,000 to 1,200 people were present. It seems many UKA members unable to attend the convention purchased tickets as a goodwill move, The families of UKA members all attended the dinner of course and this accounts fpr the larger number of people on hand over the afternoon business session. Between 8:30 pm and 10 pm, two films were shown in the auditorium on riots briefly and left wing activities. introduced each film but made no speech. About 1,000 people watched the two films. 10 AM Sunday 28 June was the announced starting time for the next days activities but all members were forced to re-register the next day and it was near noon before the session got started. The resolution committee reported that there were no resolutions.

A number of contrasts appeared to this observer regarding the NSRP and UKA meetings held only a week apart, The UKA speakers mentioned only briefly the "Jewish problem" as they put it. In there brief' mentions they make clear they feel Jews are behind the "whole anti-american plot" they see, but they do not build there entire argument on this point. Further, while they open the session with a prayer, they make little mention of the bible or religion. Again the NSRP does this to a great extent. Also, the UKA meeting saw no rabble rouser loud speechs which mark almost every NSRP presentation. Those attending seem more affluent in terms of cars and money at the UKA meeting. At the UKA meeting more high pressure fund raising was noticed as time and again one was asked to by raffle tickets on UKA rings, gun racks etc. and high pressure tactics were used to move literature. Not one person present at the NSRP meeting was noted at the UKA conclave. It was

intertesting to note not a single sign of any

by late Friday afternoon and no contact was i	made on
Friday 19 June 1970.	

b6 b7C b7D

On 20 June 1970 the three left their motel shortly after
10 am and arrived at the convention site about 10:45 am.
The three met with Dr. Edward R. Fields and his wife and
children and Dr Fields stated they had arrived in Convington'
at 3 AM that morning after an all night ride from Georgia
where they had completed their monthly meeting with the
printer re the Thunderbolt. In this case it was the July
1970 issue. Discussions with J. B. Stoner indicated that
a is traveling with him in his bid for the

democratic nomination in Georgia for governor.

The two are making one to three days trips in central and southern Georgia at this time.

Stoner states that a dozen candidates are in the running and being the only racist candidate he should finish first or second and advance to the run off election. In his address to the convention later in the day he made the same statement. In private conversations with it was learned that he believes Connie Lynch and are "all talk" to use words. He states he is having disagreements with each concerning the election race and how it should be run. It is not clear how serious the differences are at this moment.

b6 b7C b7D

The convention was not called to order untill after 12 noon on Saturday 20 June 1970. A Cincinnati TV outlet (th 10) had a film crew on hand and filmed a portion of the activities in the hall. This was telecast on Saturday and Sunday. The Kentucky Post which is the Kentucky edition of the Cincinnati Post carried a front page story on 19 June and pages two mention on 20 June of the NSRP convention. Each account mentioned the violence in Beria Kentucky concerning the NSRP and

22 June 1970

and gave a detailed account of the location of the convention hall. Coupled with the fact that local Newport police were on strike all week with Kentucky State Police on duty, NSRP members were tense. Surveilance was more heavy handed this year too. NSRP members reported being photographed at the Gateway motel and cars were stationed near the convention site.

The convention format remained unchanged again this year with a parade of a dozen or so speakers, each speaking for 30 minutes to an hour. Speaking to the convention were: Dr. Edward R. Fields, J. B. Stoner, Neuman Ned Dupes, and Britton, Three other NSRP leaders spokke but their names are not recalled by this observer. They are a young man in his twentys who left the service about a year ago. He is single, about and he has worked for the NSRP a great deal over the past year. A older man from the Baltimore Maryland area also addressed the convention. This man is in his 60s and 5:10 200 lbs and a poor speaker. An ex John Birch member from the west coast also addressed the convention. This middle aged man has received Thunderbolt coverage. The tone of the speaches of the above are without change each year.

22 June 1970

They maintain the bible backs the NSRP position that the white man is superior to all races. That God and/or Jesus was not a Jew but a white man. They also maintain the bible backs white supremacy. They state the bible supports and even directs violence against all enemys of the white man and they maintain Jews and blacks are these enemys. A great deal of the party line is built on the bible backing the NSRP position. Most speakers urge those attending to return home is enroll new members and redouble their efforts for victory. No definite plans are spelled out except more rallies and building the membership list and greater distribution of the Thunderbolt circulation. This year the J. B. Stoner race is the major NSRP goal. Top party leaders gave no sign in private conversations that they believe Stoner will not place first or second and make the run off. It appears contributions are off to a fast start. A Saturaday collection for Stoner brought about\$625 from the crowd. The NSRP crowd ranged from 225 to 275 on Saturday and Sunday. At least 175 were from a 100 miles radius of the area. A Sunday collection to help meet convention coasts raised b7C between \$100 and \$200. As in the past Neuman Britton and led the way in calling for violence against "Jews and Blacks" Each called upon the crowd to help in seeing that the stexets run red with blood. Each man vowed to fight to the last to acheive their goal of a non black non Jew USA. Their was little or no "back to Africa" talk

22 June 1970

Fields indicated to this observer that one NSRP leader would journey to Illinois this summer for a fund raising effort on behalf of J. B. Stoner. Date and location were not disclosed and who the party leader will be is not clear yet either. Neuman Britton is now living in extreme North-West Arkansas. He made the trip with hif wife of about one year and four daughters. They ranged in age from 16 to 20. Two were Mr Britton's from his first marriage and two of the girls are his wifes from her first marriage. Also joining the Britton's in their drive to the convention was a Mrs. This older woman (60s) calls herself a 30 year veteran on the right wing cause and she states she has lived in Texas at one time. During the Saturday afternoon session of the convention became acquainted with She is one of the of Neuman Britton. Mrs determined that the young lady was very interested in When told, seemed uninteresteds but Miss hoined the in returning to their motel at the invitation of Mrs soon changed his attitude however and the four visited in motel room untill' 3 am when the excised themselves. did not drive Miss back to the Gateway motel untill 6 am. Identification in her purse revealed she was born on

had telephonically contacted Neuman Britton Saturday
night and stated that two NSRP office girls had left
their jobs in Savannah. Lynch asked if Miss
would come to Savannah to wotk in the NSRP offices. It.
appears Both Neuman Britton and wife support the idea
but Miss was undecided about the move.
The NSRP motorcade for Beria Kentucky and Elza Ruckers

and only a half dozen cars made the journey. Wake and
